Equipment Information & Price Quote:

Make additional copies of this sheet if needed for additional equipment. When quoting, please be mindful that an award has specific dollar and match limitations: Non-road Construction Equipment = 50% of repowers excluding installation costs up to total award of \$30,000. After accounting for match dollars, the Grant Request for each piece of equipment listed should not exceed these award limits.

Verification statement(s) must be attached to price quote.

VIN	Base Unit Price ¹	Installation Price ²	Total Price ³	Grant Request ⁴

- (1) Base Unit Price is the cost of the engine repower with all hardware required for proper installation (excludes optional accessories.)
- (2) Installation costs are not eligible.
- (3) Total Price includes base price, installation labor by vendor, and taxes (if applicable). Costs for optional accessories and all other costs are ineligible.
- (4) Grant Request should be the lower value of \$30,000 or 50% of Total Price excluding installation and optional accessory costs.
